Speaker: Buddy Amerson

The N.C. Department of Labor helps employers achieve a safe and healthful workplace for their employees. Come learn how the professional staff can help employers identify safety and health hazards; provide recommendations to reduce or eliminate hazards; and will evaluate your safety and health program. The OSH Divisions goal is to help businesses meet safety and health regulations and develop effective safety and health management programs.

About the Speaker:

Buddy has been with the Department of Labor for 12 years serving as an Occupational Safety Consultant for the past 10. Prior to coming to work for the state, he was in manufacturing management, corporate EHS, and self-employed as a consultant.

Buddy is an alumnus of Catawba College and Pfeiffer University.
