In attendance: (3 Virtual) Bakri Abushouk, Greg Cook, Aric Justice, Stephanie Sedore, Van Johnson, Andrew Davis, Nick Townsend, Jennifer Calloway, Matt

Type of meeting: General business - conducted by Nick Townsend

Welcome – Introductions

Nick provided information from last year - we were platinum, that's the goal again this year. Last month we had great opportunity to meet and network, leadership team met together at Top Golf. When we get together face to face, get to know each other and have some fun.

Nick has been part of the organization for two years and worked in safety for 10 years. Background in sales. Previously in custodial industry, uniforms, safety products. Fall protection and PPE traffic zones.

Everyone else on the call provided introductions.

Introduced a new person on the call – Matt who works with Jennifer and Jerry at Brady Services

What we want to accomplish– How can we provide a great experience for our Chapter?

Stephanie - Share what we do, different services what we can do. List our services. Use our resources.

Jennifer - Networking events are always popular centered around driving. Race car driving and Zoo, creative ways to get our members out and interacting with each other.

Nick Townsend - Membership aspect. New to the safety industry, good time to coach and help younger professionals. Good opportunity and promotions, networking. Bringing people together, networking events build personal and professional relationships.

Greg Cook – This past year, NCA&T, lunch and Q&A session, well received. Talk about Emmanuel, maybe mock interviews, mentorship, connect with our student sector. Double our leadership or membership by 10-15 people, growth goals.

Hot Topics –

Discuss about our talk about our technical meetings. Do we want to start August or September. Start in September? Active shooter – community outreach speaker. It's good to have them in.

Meetings to be last Thursday of the Month. Important to get the ball rolling with monthly technical meetings.

Thurs on the 25th of September – Active shooter, workplace violence, security awareness.

Would anyone be open to do meeting locations in person? Alternate between Brady and Andrew's facility. Projector at Brady's part store, utilize a webcam, Stephanie to get permission for her facility – Kernersville.

Aric Justice - Balance – \$7,683, reoccurring deposit each month – renewals 25\$ goes toward the local chapter. 150-300\$ per month.

ASSP Chapter – Update our photos, double check leadership/board seats are updated,

ASSP Professional Development Conference at Myrtle Beach coming up in September
