Type of meeting: General business -

Welcome – Greetings

Upcoming Schedule & Content Opportunities:

1. Next Scheduled Chapter Meeting February 19th, Andrew speaker.
2. **Opportunity to discuss AI** and how we can utilize it in our workplace in upcoming meeting?
Any takers to be a speaker at an upcoming meeting? (introduce practical EHS applications of AI).
3. Radiation Safety Training class at an upcoming monthly meeting.
 - a. Identified as a gap for most companies, must do not know they have radiation sources at their facility.
 - b. Lance Miller to be the speaker
 - c. Potential dates for Lance to deliver – May 21st or May 28th

Conference and Professional Development Opportunities:

1. 2026 Eastern safety and health conference, April 29 to May 1st, 2026
[EASTERN CAROLINA SAFETY AND HEALTH CONFERENCE](#)
2. Region 6 Professional Development Conference, Sep 16-18th, 2026
<https://www.regionsixpdc.com/>
Become a Liaison to get 250\$ off of registration. Liaisons provide speaker introductions. Reach out to Mike Luffman run the liaison and speaker introductions (reach out with questions)

Other Opportunities to look into:

1. Previous meeting Bryce and Greg talked about participation opportunity, monthly lead luncheons. Float the idea to schedule two half day miniature PDC events for our Chapter. This would allow 4+ sessions in one day, allow folks to get out of work better. Account for more credits/CEUs.
 - a. Assess for next year?
 - b. Nick Townsend will check into the CompT for potential credit for a one-day mini PDC and will report back to the group. Heather the contact?
2. Carolina Power Morning/ Power Secure take a look at as an event and organization to partner with. Last year DiVal safety topic on Lithium ion batteries and LOTO. Current schedule does not look to have any local events. look at last year
 - a. Nick Townsend to get with Scott with Carolina Power Morning to see of events to come.
3. Get in touch with Emmanuel, Student – to host at either Brady or at NCA&T, last year we did a Q&A session. Potential to do that again this year. Chapter to count as an event.
 - a. Nick and Greg to talk off line to coordinate.
4. Two events scheduled in the Spring,
 - a. Greg willing to host in March, need speaker?
 - b. Tour with Daniel in April 12-130pm at Lyndon Steel.
5. Nick to follow back up with Tour potential – Nick to contact Bobby, at Igger Wood

Membership

1. VP role within the ASSP Chapter needs to be filled,
 - a. Nick Townsend proposing an email announcement to attract candidates.
 - b. The group considered to volunteer individuals to step into the role, Daniel Maiden, Jennifer Calloway.
 - c. Suggestion was brought to connect with Jennifer's Brady new hires and team, young people for resume building opportunity. We would mentor, coach and support their transition.

Open Positions

Lance Miller highlighted two job openings Open RSO biosafety position in Wilmington, NC.

Encourage teamp members to refer potential candidates. Greg will post positions on our webpage.

- a. Biosafety, radiation safety, Lance Miller in Wilmington, NC

Lance to cover Radiation Safety in May 21st or 28th.

Two events in the Spring,
Tour with Daniel in April 12-130pm Lindo steel.
